Re: Approved Applicator

To Whom It May Concern,

CEMISA has received training at the Carlisle facilities for the installation of Carlisle roofing products and systems and is an approved applicator/installer with SAP# 271078. CEMISA has maintained proficiency through training conducted by a Senior International Technical Service Representative of Carlisle Construction Materials (CCM) and ICS Group, Inc. Carlisle LAC.

CEMISA is eligible to participate in Carlisle warranty programs.

Carlisle supports CEMISA as an applicator as long as their account remains in goodstanding and all systems are installed in accordance with the most current CCM specifications and guidelines.

This certification will expire June 30, 2017 unless otherwise specified in writing by the undersigned.

A handwritten signature in black ink, appearing to read 'D. Diaz'.
